Bail Bond License Lapses

Agent Services Division has now completed the 2011-2012 license renewals and lapsed the licenses for all professional bail bondsmen, surety bail bondsmen, and bail bond runners that failed to pay their license renewal fee. These bail bond licenses were lapsed effective June 30, 2011 and the individual no longer has authority to engage in business bail bond activity related to their lapsed license.

The attached [license cancellation letter](#) (attachment two) was sent to these individuals.

Please contact Agent Services Division at (919) 807-6800 if you have any questions.
