RE: 2014-2015 APPOINTMENT RENEWAL PAYMENT DUE BY APRIL 1, 2014

The appointment renewal bill is now ready for companies with active North Carolina appointments to pay on-line at www.nipr.com. Payment is due by April 1, 2014.

The Department has posted special instructions and FAQ's on the Department's website www.ncdoi.com in the following location http://www.ncdoi.com/ASD/ASD_Insurance_Co_In_AandT.aspx. We recommend that you review the information on the website for printing the invoice, making the payment, and printing a list of your appointed agents.

Please note, when Printing Renewal details from the NIPR invoices, this year there is a code number displayed for the Line of Authority (LOA) type appointments rather than the name of the LOA type displaying as invoices have done in previous years. LOA codes are listed below for your review:
