RE: North Carolina Surplus Lines License Renewals Ready on NIPR

North Carolina Surplus Lines individual and business entity licenses are now available for renewal through the National Insurance Producer Registry (NIPR). Surplus Lines licensees can access their renewal applications through the NIPR Producer Landing Page: [http://www.nipr.com/license\\_form.htm?r](http://www.nipr.com/license_form.htm?r)

Notifications were sent to all Surplus Lines licensees notifying them of the process to complete their license renewal and Surplus Lines Renewal FAQs are available on the Department's website in the following location: [http://www.ncdoi.com/ASD/Documents/FAQs/Surplus%20Lines%20Renewal\\_AAFAQ\\_BEFAQ.pdf](http://www.ncdoi.com/ASD/Documents/FAQs/Surplus%20Lines%20Renewal_AAFAQ_BEFAQ.pdf)

All North Carolina Surplus Lines licenses expire annually on 8/31 each year and require completion of the NIPR renewal application and payment of renewal fee due by 8/31/2015. Failure to complete the renewal application and pay the renewal fee through NIPR will result in the Surplus Lines license expiring effective 8/31/2015.

**Important License Reminders**

In accordance with N.C.G.S. 58-21-40(d): "Each resident surplus lines licensee shall maintain active membership in a regulatory support organization (North Carolina Surplus Lines Association) as a condition of continued licensure." Furthermore, N.C.G.S. 58-21-65(d) provides "Any person who places surplus lines insurance without a valid surplus lines license in effect shall pay a penalty of one thousand dollars (\$1000) and be subject to such other penalties as provided by law."

**Legislation that May Impact Your License Renewal**

Implementation of the Federal Nonadmitted and Reinsurance Reform Act (NRRA) may impact your Surplus Lines licensure requirements in North Carolina. Effective July 21, 2011, NRRA provides that only the insured's home state may require a surplus lines broker to be licensed to sell, solicit or negotiate nonadmitted insurance with respect to such insured. The Department has issued Bulletin 11-B-07 to outline these national regulatory changes that affects licensure requirements and the placement of nonadmitted insurance in North Carolina. Bulletin 11-B-07 is posted under Hot Topics on the Department's website in the following location: [http://www.ncdoi.com/PC/PC\\_Surplus.aspx](http://www.ncdoi.com/PC/PC_Surplus.aspx)
