RE: 2017- 2018 Company Appointment Renewal Bills

On February 3, 2017, the North Carolina Department of Insurance sent notification that company appointment renewal invoices were ready on NIPR's website www.nipr.com for payment. Invoices are available ONLY for companies with active producer appointments in North Carolina as of 1/28/2017. Payment of the invoice is required to renew all company appointments for the 2017-2018 license period.

The Department posted special instructions and FAQ's on the Department's www.ncdoi.com in the following location:

Appointment renewal fees were due on **March 31, 2017**. The Department appreciates the many companies that paid their invoices by the due date.

Any unpaid company invoices are now **past due**. Invoices will not be available for payment on NIPR's website after May 16, 2017. All company appointments will be canceled if the outstanding invoice is not paid by May 16, 2017 and companies will be restricted from processing any new appointments until the invoice is paid pursuant to 11 NCAC 6A.0501(f).
