Revised ADA Regulations Implementing Title II and Title III

On Friday, July 23, 2010, Attorney General Eric Holder signed final regulations revising the Department's ADA regulations, including its ADA Standards for Accessible Design. These regulations will be published in the Federal Register. The revised regulations will amend the Department's Title II regulation, 28 C.F.R. Part 35, and the Title III regulation, 28 C.F.R. Part 36. Appendix A to each regulation includes a section by section analysis of the rule and responses to public comments on the proposed rule. Appendix B to the Title III regulation discusses major changes in the ADA Standards for Accessible Design and responds to public comments received on the proposed rules. The Department's Final Regulatory Impact Analysis will be posted on this page as soon as it is available.

In general, **these final rules will take effect 6 months after the date on which they are published** in the Federal Register. **Compliance** with the 2010 Standards for Accessible design is permitted after that date, but **not required until 18 months after the date of publication**. The Department has prepared fact sheets identifying the major changes in the rules.
