Designation of Technical Supervisor

Name of Probationary Applicant

- Probationary Area(s) Requested: Building
 Mechanical
 Electrical
 Plumbing
 Fire

I understand that the above listed person does not meet the requirements for a probationary Level I certification in the area(s) requested. As a Code Enforcement Official possessing a standard in the area(s) checked above, I am willing to technically supervise this person for the duration of their probationary period to ensure that they are being adequately trained in Code Enforcement. At the conclusion of this probationary period I will provide documentation to the Qualifications Board as needed regarding this supervisory period.

Signature _____

Date: _____

Typed Name _____
