

**Chapter 3**  
**Links to the General Statutes**  
**Pertaining to the Enforcement of the North Carolina State Building Code**

The North Carolina State Building Codes do not include all additional requirements for buildings and structures that may be imposed by other State agencies, occupational licensing boards, and commissions. It shall be the responsibility of a permit holder, design professional, contractor, or occupational license holder to determine whether any additional requirements exist.

The current language of the General Statutes may be viewed at [www.ncleg.net](http://www.ncleg.net) .
