# Summary of Benefits

January 1, 2016 - December 31, 2016

This booklet gives you a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the "Evidence of Coverage."

## You have choices about how to get your Medicare benefits

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.
- Another choice is to get your Medicare benefits by joining a Medicare health plan (such as **AARP MedicareComplete Plan 1 (HMO)**).

## Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what **AARP MedicareComplete Plan 1 (HMO)** covers and what you pay.

- If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on <http://www.medicare.gov>.
- If you want to know more about the coverage and costs of Original Medicare, look in your current "**Medicare & You**" handbook. View it online at <http://www.medicare.gov> or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

## Who can join?

To join AARP MedicareComplete Plan 1 (HMO), you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area.

Our service area includes the following counties in North Carolina: Alamance, Cabarrus, Caldwell, Caswell, Catawba, Chatham, Cleveland, Cumberland, Davidson, Davie, Forsyth, Guilford, Henderson, Iredell, Lincoln, Mecklenburg, Orange, Person, Randolph, Rockingham, Rowan, Stokes, Union, Wilkes, and Yadkin.

## Which doctors, hospitals, and pharmacies can I use?

AARP MedicareComplete Plan 1 (HMO) has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, the plan may not pay for these services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies.

You can see our plan's provider and pharmacy directory at our website ([www.AARPMedicarePlans.com](http://www.AARPMedicarePlans.com)).

Or, call us and we will send you a copy of the provider and pharmacy directories.

## What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers - and *more*.

- **Our plan members get *all* of the benefits covered by Original Medicare. For some of these benefits, you may pay more in our plan than you would in Original Medicare.** For others, you may pay less.
- **Our plan members also get *more than what is covered by Original Medicare*.** Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, [www.AARPMedicarePlans.com](http://www.AARPMedicarePlans.com).
- Or, call us and we will send you a copy of the formulary.

## How will I determine my drug costs?

Our plan groups each medication into one of five "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur after you meet your deductible: Initial Coverage, Coverage Gap, and Catastrophic Coverage.

If you reside in a long-term care facility, you pay the same as at a retail pharmacy.

You may get drugs from an out-of-network pharmacy, but may pay more than you pay at an in-network pharmacy.

There is no deductible for Tier 1 and Tier 2 drugs. The deductible applies to drugs on Tier 3, Tier 4, and Tier 5.

---

**Coverage Gap** Most Medicare drug plans have a coverage gap (also called the "donut hole"). This means that there's a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches \$3,310.

After you enter the coverage gap, you pay 45% of the plan's cost for covered brand name drugs and 58% of the plan's cost for covered generic drugs until your costs total \$4,850, which is the end of the coverage gap. Not everyone will enter the coverage gap.

---

**Catastrophic Coverage** After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$4,850, you pay the greater of:

- 5% of the cost, or
- \$2.95 copay for generic (including brand drugs treated as generic) and a \$7.40 copayment for all other drugs.

---

**Optional Benefits (you must pay an extra premium each month for these benefits)**

**Package 1: Dental Platinum Rider** Benefits include:

- Preventive Dental
- Comprehensive Dental

---

**How much is the monthly premium?** Additional \$34.00 per month. You must keep paying your Medicare Part B premium and your \$35 monthly plan premium.

---

**How much is the deductible?** This package has deductibles for some services.

---

---

**Is there a limit  
on how much  
the plan will  
pay?**

---

Our plan has a coverage limit for certain benefits.
