Summary of Benefits

**Devoted CORE North Carolina
(HMO) Plan**

PBP Number: H5299-004-000

Alexander, Anson, Cabarrus, Catawba, Gaston, Mecklenburg, and Union Counties

Summary of Benefits

This Summary of Benefits tells you about our Devoted CORE North Carolina (HMO) plan. It includes information on plan costs and some of the common services we cover. It's valid for the 2024 plan year, which starts on January 1, 2024 and ends December 31, 2024.

Because this document is a summary, it doesn't list all of the coverage details for this plan. If you need to know more, check the plan's **Evidence of Coverage** at www.devoted.com. Or, call us at 1-800-385-0916 (TTY 711) or text us at 84305, and we can mail you one.

Can I join this plan?

Devoted CORE North Carolina (HMO) is a Health Maintenance Organization, or HMO plan. To join Devoted CORE North Carolina (HMO), you must be entitled to Medicare Part A and enrolled in Medicare Part B. You also have to live in this plan's service area, which includes these counties: Alexander, Anson, Cabarrus, Catawba, Gaston, Mecklenburg, and Union. We offer different plans for other counties.

Does this plan cover my prescription drugs?

Find out by searching our online drug list at www.devoted.com/search-drugs. Or, give us a call or text. We can look up your medications or mail you our list of covered drugs (formulary).

Does this plan cover my doctors and pharmacies?

Find out by searching our online directory at www.devoted.com/search-providers. Or, give us a call or text. We can look up your doctors and pharmacies or mail you a directory.

What's the difference between copays and coinsurance?

A copay is a flat fee. For example, a \$5 copay for a service means you pay \$5. Coinsurance is a percentage of the cost. For example, 10% coinsurance means you pay 10% of the cost of the service.

How can I learn about Original Medicare?

Check the latest *Medicare & You* handbook. If you don't have one, visit www.medicare.gov and enter "Medicare & You handbook" in the search tool. (Include the quotation marks for best results.) Or ask Medicare to send you one by calling 1-800-MEDICARE (1-800-633-4227) any day, any time. TTY users can dial 1-877-486-2048.

How can I get more help?

Call us at 1-800-385-0916 (TTY 711) or text us at 84305. We're here 8am to 8pm, Monday to Friday (from October 1 to March 31, 8am to 8pm, 7 days a week). You can also visit us online at www.devoted.com.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call us at 1-800-385-0916 (TTY 711), or text us at 84305.

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit www.devoted.com, call 1-800-385-0916 (TTY 711), or text 84305 to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the Devoted Health network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the Devoted Health network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums, and/or copayments/coinsurance may change on January 1, 2025.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

IMPORTANT: If you receive assistance from Medicaid or "Extra Help," you may pay less than the cost-sharing amounts listed in this document. If your category of Medicaid eligibility or level of Extra Help changes, your cost share may increase or decrease. Please refer to the Evidence of Coverage for additional benefit details. For a copy of the Evidence of Coverage, please visit www.devoted.com, call 1-800-385-0916 (TTY 711), or text 84305.

Coverage Gap or "Donut Hole"

Most Medicare drug plans have a Coverage Gap or "donut hole." This means that there is a temporary change in what you will pay for your drugs. The Coverage Gap begins after the total yearly drug costs (including what Devoted Health has paid and what you have paid) reaches \$5,030. Please note that not everyone will enter the Coverage Gap.

This plan provides partial tier gap coverage for some tier 1 and tier 2 drugs. This means that for some of the drugs covered on tier 1 and tier 2, you will continue to pay a copay. **For the 2024 plan year, while in the coverage gap, you will pay \$0 copay for certain drugs on tier 1, \$5 copay for certain drugs on tier 2,** and 25% coinsurance for all other drugs until you reach \$8,000 total out-of-pocket. Drugs that have gap coverage are indicated in the Plan Formulary (Drug list).

Your plan also provides additional coverage for some drugs that are not normally covered in a Medicare prescription drug plan. These drugs are covered at your tier 2 copay for the entire year, no matter what coverage phase you are in. Additional information about these drugs can be found in the Erectile Dysfunction Drugs (ED) & Other Covered Drugs sections below.

Catastrophic Coverage

Yearly Out-of-Pocket Drug Costs

You will pay \$0 for covered Part D drugs after your Yearly Out-of-Pocket Drug Costs reach \$8,000.

Additional Part D Benefit Information

You'll pay no more than \$35 for a 30-day supply for all Part D covered insulins.

You will pay no more than \$35 (or \$0 depending on your level of Medicaid eligibility) for a 30-day supply of Medicare Part B-covered insulins (when you use insulin via a pump).

See your Evidence of Coverage (EOC) for details.

Erectile Dysfunction Drugs (ED)

Sildenafil (generic Viagra) and Tadalafil (generic Cialis) are both covered as Tier 2 medications. You are covered up to 6 pills per month for either medication or a combination of both medications, but not to exceed 6 pills per month. There is a maximum of 72 pills per year of either medication or the combination of these medications.

- Vitamin D (ergocalciferol) 50,000 unit capsules
- B12 injection (cyanocobalamin) 1000mcg/ml

Part D Vaccines

Our plan covers most Part D vaccines at \$0 cost-share. Part D vaccines, such as Shingrix, are usually dispensed by a pharmacy. You can find coverage information for these vaccines in the plan's List of Covered Drugs (Formulary).

If you receive a Part D vaccine in your provider's office, you may be billed for the entire cost of the vaccine. You can then ask our plan to pay our share of the cost by submitting a request for reimbursement. See our Evidence of Coverage (EOC) for additional details or call Member Services.

Some vaccines are considered medical benefits (See the Preventive Care section in this booklet for medical benefit information).

Additional Prescription Drug Information

If you receive "Extra Help" from Medicare, your costs for prescription drugs may be lower than the cost-shares in this booklet. You pay whichever is less.

Medicare beneficiaries who receive assistance from Medicaid or the state-sponsored Qualified Medicare Beneficiary program may pay nothing for Medicare-covered services. You must meet certain income and resource conditions to be eligible.
