This booklet gives you a summary of what our plan covers and what you pay. It doesn't list every service we cover or every limitation or exclusion. For a complete list of covered services, call us and ask for the Evidence of Coverage.

Options for Getting Medicare Benefits

- Original Medicare (fee-for-service), which is run by the federal government
- Medicare Advantage through a private company, like FirstCarolinaCare Insurance Company

Tips for Comparing Medicare Options

This booklet allows you to compare costs and benefits for our plan

- If you want to compare our plan with other Medicare Advantage plans, ask other plans for their Summary of Benefits booklets or use the Medicare Plan Finder at medicare.gov.
- If you want to know more about the coverage and costs of Original Medicare, look in your *Medicare and You* handbook. You can find it at medicare.gov. You can also get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Eligibility

To join any of our Medicare Advantage plans, you must be entitled to Medicare Part A, enrolled in Medicare Part B and live in our service area.

Our service area includes these counties in North Carolina: Chatham, Cumberland, Harnett, Hoke, Johnston, Lee, Montgomery, Moore, Richmond, Robeson and Scotland

Doctors, Hospitals and Pharmacies

Our plan has a large network of doctors, hospitals, pharmacies, and other providers to choose from.

You must use network pharmacies to fill your prescriptions in most cases.

You can see our provider directory and pharmacy directory at our website (www.FirstMedicare.com). You can call us, and we will send you a copy.

What We Cover

Like all Medicare Advantage plans, we cover everything Original Medicare covers, but we also cover more.

For some benefits, you may pay less in our plan than you would in Original Medicare, and for some, you may pay more. This booklet outlines many of our extra benefits and perks that Original Medicare doesn't cover.

We cover the prescriptions drugs listed in our formulary at www.FirstMedicare.com. You can read it online or call us for a copy.

Determining Drug Costs

Each of the drugs we cover is grouped into one of five tiers. The amount you pay depends on the drug's tier and what stage of the benefit you've reached (Initial Coverage or Catastrophic Coverage). You can find out what tier your drug is on in our formulary at www.FirstMedicare.com, and we discuss the benefit stages later in this booklet.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-888-382-9781.

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit www.FirstMedicare.com or call 1-888-382-9781 to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If they are not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2026.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you may pay a higher co-pay for services received by non-contracted providers.
- Your current health care coverage will end once your new Medicare coverage starts. For example, if you are in Tricare or a Medicare plan, you will no longer receive benefits from that plan once your new coverage starts.
